

Expertise + Experience = Excellence

Specialists in Commercial Insurance and Risk Management

Our Mission Statement

Insurance Risk Consultancy Services Ltd are geared to providing clients with the complete range of services of a national broker, but on a personalised and localised basis.

It is deemed vital that clients are fully aware of the range of covers and options available, in order to make the correct choices and obtain the maximum cover available within a finite budget.

By continually demonstrating honesty and integrity to our clients, their custom has been retained with our services being recommended to others.

Sound management and innovative leadership have created an environment where our staff feel valued and respected in their ongoing dedication to serving our client's best interest.

Who are IRCS?

Huw Morgan FCII

Managing Director of IRCS Specialises in the acquisition and expansion of brokerage accounts.

Huw Morgan the founding director of IRCS is a holder of the Diploma of the Fellow of the Chartered Insurance Institute, and is a Chartered Insurance Institute Practitioner.

Formerly a director of one of the UK's largest independent brokerage, his experience covers multi-national conglomerates, both in the UK and overseas.

IRCS Commercial Insurance brokers was formed in 1988 by Huw Morgan who had previously been employed as a director of one of the UK's.

Huw's brief for his new company was clear and simple.

To provide the expert advice and experience together with a complete range of services expected of a national broker, but on a personalised and localised basis.

This he achieved and soon built a client base including some of South Wales' largest companies as well as National and International PLC's.

The brief lives on as IRCS' corporate signature and will continue to be the tracks in which this vibrant company drives into the future, and this has led to the development of IRCS Business Solutions providing expert health & safety advice and giving clients guidance on employment matters and guiding them through the tribunal process.
